Dear Ehud

I presume you have read the mail of Mr. Tesis, and my reply. I would like to inform you very confidentially, that Mr. T has just got the information from the office of the pm, that our meeting was blocked by Mr. Sz, who does not want our deal to progress without him present. He wants to take credit for it.

Mr. Sz has invited the representatives of Renova for the 26th of August, this is the 2nd day he will be in his office after his holiday. So it is evident, that it is important for him.

We are absolutely sure, that Mr Tesis should come and see Mr. Sz on the 26th. We are sure, that after that meeting there will be a meeting between you, VV and VO. But we are also sure, that if Renova refuses this invitation, that will be the end of the whole story.

Please let us not have this deal die on ego issues. We are talking of too much money for that.

Consider carefully what you say of the role of Mr. Sz to Renova, it would not be wise to get them have hard feelings towards Mr. Sz, that is never a good point to negotiate from.

Yours, Peter
